## Chairman’s Pledge

### Modern Montessori International Group: Empowering Young Minds with Global Excellence in Education

----- MMI NEW YEAR MESSAGE

Warmest greetings & Happy New Year 2025 to all!

As Chairman of the Modern Montessori International Group, I pledge our steadfast commitment to nurturing young minds and creating a learning environment that reflects the timeless principles of the Montessori philosophy. Our focus is on equipping children with the skills they need to develop independence, creativity, and a genuine love for learning, while celebrating their individuality and unique learning paths. We are deeply dedicated to fostering not only academic achievement but also the social, emotional, and personal development of every child.

We strive for excellence by upholding the highest standards in education and care. My priority is to ensure that every institution within our group provides a safe, inclusive, and inspiring space where children can thrive. By investing in ongoing professional development for educators, modern facilities, and innovative teaching resources, we aim to deliver a comprehensive learning experience that prepares children for life beyond the classroom. It is my commitment that every child in our care receives the guidance and support needed to grow into confident, capable, and compassionate individuals.

Our vision extends far beyond the classroom, recognizing our responsibility in shaping a brighter future for society. We are devoted to embodying the values of the Montessori philosophy—respect, empathy, and an enduring passion for learning. As Chairman, I am committed to ensuring that we remain a beacon of educational excellence, positively impacting every student, family, and community we serve. Together, we will help each child unlock their full potential and build a legacy of meaningful and transformative education.

With deepest respect,  
I remain.

Dr.T.Chandoo  
Chairman/ CEO  
MMI Group

# Modern Montessori prepares your child for the 21st Century

## Fostering Critical Thinking, Creativity, and Collaboration in an Evolving World

----- MMI CONNECT

Montessori education is centered on fostering a child's ability to understand, control their errors, and make independent decisions through hands-on learning. Children are given the freedom to explore and learn at their own pace, with materials designed to help them organize their thinking and absorb new concepts. This approach encourages self-directed learning, where mistakes are seen as opportunities for growth, creating a strong foundation for critical thinking and problem-solving skills.

In a Montessori environment, creativity is not an innate talent but a skill that develops through a long process of cognitive development. Children are encouraged to express themselves freely, with plenty of opportunities for movement, choice, and speech. The multi-age classroom setup promotes social interaction, where children learn from their peers through imitation, collaboration, and leadership opportunities. This environment nurtures teamwork and mutual respect, as both students and teachers work together to solve problems.

Teachers play an essential role by providing activities that encourage communication and collaboration. They show genuine respect and appreciation for each child's individuality. Technology is used in a meaningful way, enhancing real-world learning experiences and broadening students' understanding of the world around them.

The Montessori approach is flexible, adapting to the unique needs, interests, and abilities of each child. Teachers build strong relationships with their students, creating an environment where children develop at their own pace, cultivating independence, leadership, and a lifelong love of learning.

# Nurturing Wonder: A Groundbreaking Approach to Spirituality in Early Childhood Education

## MMI London's Collaboration with Roehampton and the Froebel Trust Explores Montessori's Role in Fostering Empathy, Reflection, and Inner Peace in Young Learners

----- MMI LONDON

MMI London has taken a significant step in advancing early childhood education through a collaboration with the University of Roehampton and the Froebel Trust on a groundbreaking project that explores spirituality in young children. Led by Dr. Fengling Tang, this initiative delves into how to cultivate a child's sense of wonder, empathy, and reflection within the Montessori framework.

For us, spirituality goes beyond religion, focusing instead on fostering inner peace, belonging, and self-awareness. By creating thoughtfully prepared environments, providing children with the freedom to explore, and incorporating moments of quiet reflection, we encourage them to connect deeply with themselves and their surroundings. This approach not only nurtures emotional and social development but also enhances cognitive growth, as children develop a stronger sense of self and their role within a larger community.

The valuable insights from this project were shared at respected events, including the BERA Conference at Metropolitan University and the Apples and Honey Nightingale Nursery. These platforms provided an opportunity to showcase how Montessori principles and spirituality can work in tandem to support a child's holistic development.

We are grateful to our partners, Dr. Tang, and the Froebel Trust for their collaboration in this inspiring initiative. Together, we are contributing to the global conversation on innovative, child-centered education, shaping future educational practices that prioritize emotional, social, and cognitive well-being for young learners.

# Leading the Way in Infant Care: MMI London at Croydon Early Years Forum

## Showcasing Montessori-Inspired Approaches to Emotional Well-Being and Cognitive Growth in Early Childhood

----- MMI LONDON

MMI London's commitment to providing exceptional infant care has earned recognition from the Croydon Early Years Team, resulting in an invitation to present at the prestigious Croydon Early Years Forum. This invitation highlights our dedication to excellence in early childhood education and care, particularly in the crucial formative years of infancy.

Our approach to baby care is grounded in the principles of secure attachments, individualized routines, and Montessori-inspired environments that encourage exploration and learning. By prioritizing emotional well-being and cognitive development from the earliest stages, we create a nurturing, supportive space where each infant feels safe, valued, and empowered to discover the world around them. This holistic approach ensures that every child receives the care and attention they need to thrive in a setting designed for both security and stimulation.

During the forum, our presentation focused on practical strategies that contribute to high-quality infant care. We shared insights on establishing consistent routines, designing baby-friendly environments, and supporting each child's developmental needs through thoughtful planning. Attendees were highly engaged, with many expressing an interest in incorporating these techniques into their own practices.

This recognition from the Croydon Early Years Forum not only reinforces MMI London's leadership in early childhood care but also reaffirms our belief that the early years are essential for laying the foundation for lifelong learning. Our participation in this forum underscores our ongoing commitment to shaping best practices in infant care and supporting the growth and development of young children.

# MMI Diploma Programme Earns Prestigious CPD Accreditation

## Recognizing Excellence in Montessori Training for Educators and Supporting Lifelong Professional Growth

----- MMI LONDON

We are pleased to announce that MMI London's Montessori Diploma Programme has been awarded Continuing Professional Development (CPD) accreditation. This prestigious recognition highlights the exceptional quality of our programme, designed to equip early years professionals with advanced knowledge and practical skills in Montessori pedagogy.

The CPD accreditation confirms that our training programme meets rigorous industry standards, offering educators numerous benefits, including:

- **Enhanced Expertise:** A comprehensive understanding of core Montessori principles such as the absorbent mind, sensitive periods, and practical life activities.
- **Career Advancement:** A recognized qualification that opens up new career opportunities within early years education.
- **Commitment to Quality:** Assurance that our programme adheres to best practices in continuous professional development.
- **Professional Growth:** A CPD certificate that demonstrates a dedication to lifelong learning, further enhancing professional credibility.

This milestone underscores MMI London's commitment to empowering educators by providing them with the tools and knowledge necessary to create meaningful and impactful learning experiences for children. By receiving CPD accreditation, we reinforce our ongoing dedication to excellence in Montessori education and the professional development of those who shape the future of early childhood education.

# Building Stronger Connections: Engaging Families in the Montessori Journey

Unique, hands-on events that bring parents and children together to create lasting memories and deepen our school community.

----- MMI SRI LANKA

Parental involvement is key to creating a strong, supportive Montessori community, and this year, we're excited to offer unique, hands-on events that enhance family engagement. These one-of-a-kind experiences invite parents to dive into the Montessori philosophy alongside their children, building lasting memories while deepening their connection to the learning process. Each event is thoughtfully designed to strengthen the bond between families and our school, enriching the educational journey for our students. We can't wait to welcome all parents to these special gatherings throughout the year!

## Welcoming Our New Sri Lanka Business Development Manager

Mr. K Shankaramoorthy

Driving Growth and Innovation in the Region

We are excited to welcome K. Shankaramoorthy as our new Business Development Manager for Sri Lanka. With an MBA from the Post Graduate Institute of Management, Shankaramoorthy has over 20 years of experience in financial management, risk management, compliance, and strategic planning. He also serves as Director of Aletha International School and has led special audits for education group companies for more than 12 years. His extensive expertise will be invaluable in driving growth and innovation in the region.

# MMI: Championing Social Responsibility

## Empowering Communities and Inspiring Change

### ----- MMI VIETNAM

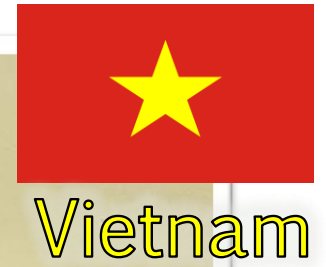

MMI's Corporate Social Responsibility initiative was recently highlighted in Binh Duong News for its meaningful outreach efforts. This year, the organization visited the Centre for Education of Children with Disabilities in Thuan An City, Binh Duong.

As part of its annual Christmas Charity project, MMI creates opportunities for children to engage with peers from less fortunate circumstances, including orphans, and children who are deaf or mute. This initiative aims to instill empathy and compassion in young minds, encouraging them to contribute positively to society.

MMI believes that charity begins at a young age, and these experiences help nurture a sense of social responsibility. By bridging the gap between different communities, the program not only supports those in need but also inspires its participants to embrace kindness and inclusivity.

# Exploring Science Through Play: MMI Myanmar Preschoolers' Hands-On Learning Journey

## Fostering Curiosity and Discovery in Young Minds with Engaging, Interactive Science Experience

----- MMI MYANMAR

At MMI Myanmar, preschoolers explore science through hands-on experiences that ignite curiosity and foster a love for discovery. With interactive activities like experiments, nature exploration, and creative projects, children engage directly with scientific concepts. This playful, inquiry-based approach encourages critical thinking, problem-solving, and teamwork, helping young learners develop foundational skills while nurturing their natural wonder and creativity.

# Montessori Education: Bridging Borders from Nigeria to London

## Empowering Nigerian Learners with Global Opportunities Through Montessori Education

### ----- MMI NIGERIA

The Montessori Diploma program is creating new opportunities for Nigerian learners, opening doors to international prospects, particularly in countries like Canada, where Montessori education is in high demand. The program's hands-on training equips students with the skills needed to excel globally.

A standout feature of the program is its collaboration with MMI London, offering Nigerian students the chance to complete placements in the UK. This partnership allows students to immerse themselves in a vibrant Montessori environment, enriching their learning and fostering an exchange of ideas and best practices. The collaboration strengthens professional development and builds a dynamic global learning community. These success stories highlight the determination of Nigerian students as they embrace education's transformative power and break new ground in Montessori education worldwide.

# MMI Kenya: Shaping the Future of Montessori Education

## Equipping Educators with Practical Experience and Access to High-Quality Montessori Resources

----- MMI KENYA

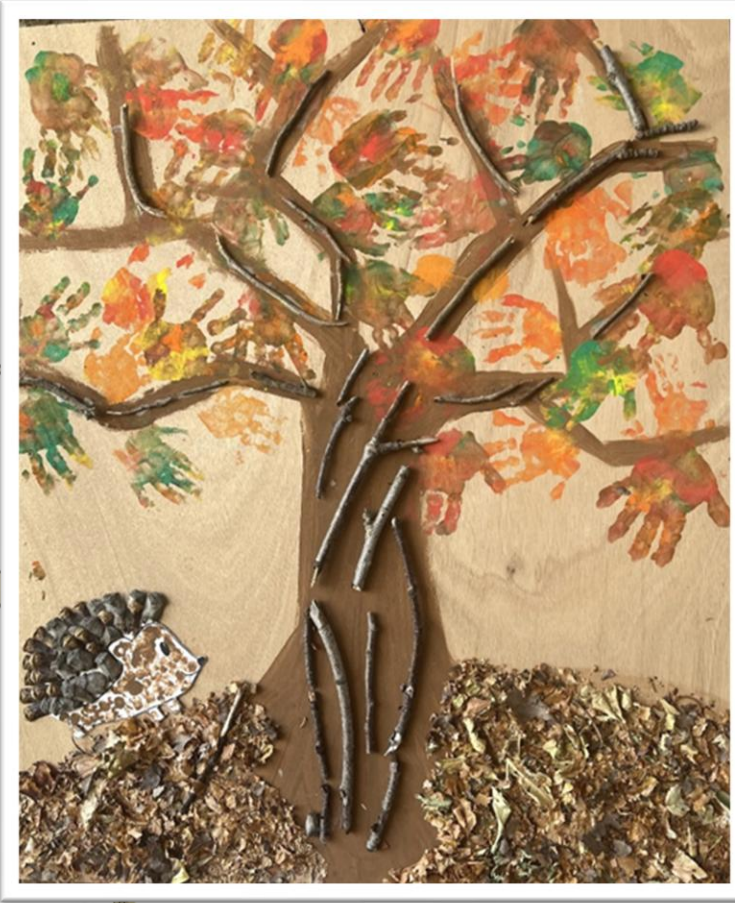

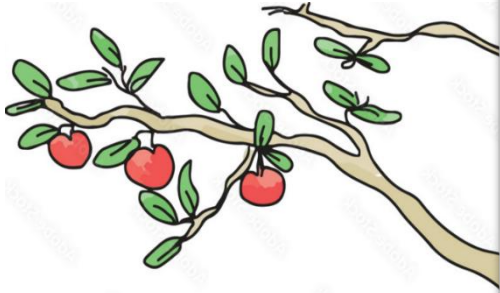

As part of the MMI Group, we proudly offer teacher training, distance learning, and a mail-order department for Montessori materials in Kenya. Our trainee teachers benefit from hands-on experience at our own Montessori pre-school, where they observe children interacting with Montessori materials in a real-world setting. This immersive learning enhances their understanding and application of the Montessori method. With increasing popularity, our teacher-training courses are laying a solid foundation for continued growth, positioning us for success as we expand Montessori education in Kenya and beyond in the coming years.

# MMI High Tea 2024: Celebrating Excellence and Achievement

## A Glorious Day Honoring the Brightest Stars at the 2024 Award Ceremony

----- MMI STAR AWARD DAY SG

The MMI High Tea 2024 was a truly magnificent event, bringing together the shining stars of this year's award ceremony. It was a day dedicated to honouring the outstanding achievements and dedication of both students and educators who have gone above and beyond in their pursuit of excellence. The atmosphere was filled with joy, pride, and admiration as the brightest talents were recognized for their hard work, perseverance, and commitment to growth.

Guests were treated to an elegant afternoon of delicious treats, laughter, and inspiring conversations, all while celebrating the incredible accomplishments of the MMI community. The award ceremony highlighted the achievements of those who have excelled academically, socially, and creatively, emphasizing the values of leadership, innovation, and collaboration.

This special day not only showcased the remarkable individuals within the MMI family but also served as a reminder of the strong foundation that MMI provides in shaping future leaders. As we looked toward the future, the MMI High Tea 2024 reminded us that excellence is not just about achievement, but also about fostering an environment where every child can thrive and reach their full potential.

# "Real Voices, Real Journeys: MMI Parent Testimonials"

"Inspiring Experiences from Families on the MMI Journey"

## ----- MMI PARENT TESTIMONIALS

Families from MMI Preschool share heartfelt testimonials about their transformative journeys. Parents emphasize how the nurturing environment, tailored programs, and dedicated staff have empowered their children to thrive socially, emotionally, and academically. From building confidence to developing lifelong skills, these stories showcase the meaningful impact MMI has had on their children's growth and family life. Each testimonial reflects a unique experience, underscoring MMI's commitment to fostering every child's potential.

Dear MMI Team,

We are incredibly grateful for the wonderful experience our son, Zhuo Ray, has had at Modern Montessori International (MMI) Preschool Centre. The teachers here have truly made a significant impact on his growth and development.

From the moment he joined, the caring and dedicated staff created a warm and nurturing environment that has allowed him to thrive both socially and academically.

The teachers go above and beyond to ensure that each child feels valued and supported. They have an incredible ability to engage Zhuo Ray in learning through the Montessori curriculum, including art, craft, sensorial activities, phonics, speech and drama, yoga, field trips, and more. Every day is filled with excitement and joy. We've seen him grow in confidence, develop new skills, and form meaningful relationships with his peers.

What stands out the most is the patience, kindness, and genuine care the teachers show daily. They focus not only on his academic development but also on his emotional well-being, teaching him important life skills such as empathy, respect, and cooperation.

We also truly appreciate how the teachers communicate with us, keeping us informed about his progress and working together to support his individual needs through the communication book, phone app, phone calls, and parent-teacher meetings.

It is clear that the teachers at MMI are passionate about what they do. We are so thankful for the positive influence they've had on Zhuo Ray's early education. He has developed a love for learning, and we know this strong foundation will serve him well as he continues his educational journey.

Thank you to all the teachers for your hard work, dedication, and for making such a positive impact on our son's life. You are truly making a difference, and we couldn't be more grateful!

With sincere thanks,  
Parent of Zhuo Ray  
MMI Woodlands

Dear MMI Management Team,

I would like to express my heartfelt praise and gratitude for the teachers and staff at MMI Thomson. Both of our girls have been students since PG, and my youngest most recently graduated from what she describes as the "best school ever."

While we are deeply saddened by the closure of MMI Thomson, I want to take this opportunity to speak about the wonderful teachers—Ms Sharon, Ms Kaur, Ms May, Ms Linda, Ms Harani, and Principal Ms Wee. It is rare to find such a tight-knit and dedicated group of educators who truly care about their work and the children in their care. Our youngest, Isla, has always come home with beautiful stories from her day, and she holds such genuine respect and affection for her teachers. I hope they are valued for their contributions, and I truly wish that their journeys in other MMI centres continue, so they can continue to inspire more children at the beginning of their learning adventures in Singapore.

I would also like to acknowledge the incredible support from the staff at the premises, including Auntie Eva and the school cook. They have been a lovely support system for the teachers. Additionally, Ms Amy has been the backbone of all things administrative, and we are so grateful for her efforts.

We will miss the wonderful staff at MMI Thomson immensely, and I hope this message conveys our deep appreciation. I also hope others will be inspired by this truly dedicated and remarkable team!

Warmly,  
Vanessa Yeo Barger  
MMI Thomson

Dear MMI Team,

I hope this message finds you well.

I am writing to express my heartfelt gratitude for the care, dedication, and guidance you provide to my son, Chen Ye, who is currently in K2 at MMI Pinnacle.

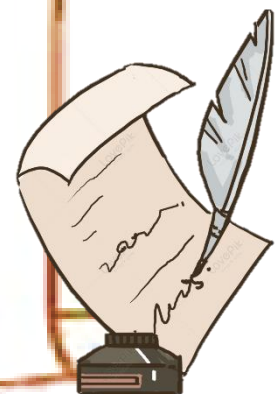

Under your thoughtful and nurturing leadership, Chen Ye has truly flourished. Every day, he comes home with a smile on his face and exciting stories to share about his learning experiences. It is clear that the positive and engaging classroom environment you have created has sparked his curiosity and love for learning.

Ms. Tricia, thank you for being such a patient and inspiring class teacher. Your efforts in nurturing the children's academic growth, as well as their social and emotional development, have made a significant impact. Chen Ye often shares the fun activities and interesting lessons, and we are deeply grateful for the structure and encouragement you provide.

Ms. Lin, your dedication to teaching Mandarin has also left a lasting impression on Chen Ye. He enjoys learning Chinese, and we can see the progress he's made in his language skills. It's wonderful to see him developing a deeper connection to the language and culture under your guidance.

Thank you both for your hard work, kindness, and passion for education. Knowing that Chen Ye is in such capable and caring hands gives us great peace of mind. We are truly appreciative of all that you do to help the children grow, learn, and thrive.

Warm regards,  
Chen Ye's Mom  
MMI Pinnacle

Dear MMI Team,

As a parent, I am extremely pleased with the quality of education that Modern Montessori International School has provided for my son. His learning journey has been nothing short of exceptional.

He has built a strong foundation in mathematics, which has positioned him ahead of his peers as he transitions into primary school. Additionally, he is well-grounded in other subjects, thanks to the comprehensive and well-rounded curriculum offered by the school. He particularly enjoys learning through hands-on activities and interactive materials, which spark his curiosity and ignite his creativity in ways that traditional teaching methods often cannot.

The school's approach to education has not only focused on academics but also on fostering important life skills such as critical thinking, problem-solving, and collaboration. Thanks to the school's holistic approach and nurturing environment, my son is well-prepared for the transition to primary school and beyond. I feel confident that the skills and values he has gained at MMI will continue to support his growth and success in the future.

I highly recommend Modern Montessori International School to any parent who wants to give their child a strong foundation and a head start in life.

Warm regards,  
Koh Kai Lin  
MMI Compassvale

Dear Mr. Durgude,

My son, Chen Yu, joined MMI in K1 in May 2023, and I am thrilled to share the tremendous progress he has made both academically and socially, as well as emotionally. I am deeply grateful to Ms. Mamtha and Huang Laoshi for their guidance and unwavering support throughout his journey. Even now, 1.5 months after school has ended, Chen Yu continues to share interesting general knowledge that Ms. Mamtha shared with him, which has helped broaden his worldview. He has also made great strides in simple math, which has boosted his confidence.

Although it's unfortunate that his preschool journey was slightly cut short due to circumstances, I am so thankful that the teachers made the time he spent there truly enriching and valuable. It was clear to me that the school genuinely cares about his growth and well-being. Please extend my heartfelt thanks to Ms. Mamtha, Huang Laoshi, Ms. Sharifah, and Aunty (who thoughtfully gives Chen Yu apples, knowing he doesn't eat other foods).

Thank you once again for all your support. We feel truly fortunate to have been part of the MMI family.

Warm regards,  
Celine
